

Removing Members from a Project

You can remove members projects.

Removing Members That did not Confirm the Invitation

To remove members that did not confirm their invitation:

1. Go to <https://accounts.seetest.io/my-team>
2. Under **Pending Invitations** click the **X** button next to the members email.
3. Click **Confirm** in the popup.

The screenshot shows the 'My Team' interface. At the top, it says 'My Team' with the email 'seetest@seetest.io' and an 'admin' role. There is an 'Invite' button. Below this is a section for 'Pending invitations' with a blue border. It lists 'team_member@seetest.io' with a red 'X' icon next to it. Below that is the 'Team members' section, showing 'seetest@seetest.io' as an 'admin'. A modal dialog titled 'Delete Invitation' is open, asking 'Are you sure you wish to delete the invitation to the team_members@seetest.io?' with 'Close' and 'Confirm' buttons.

Removing Active Members

To remove active members:

1. Go to <https://accounts.seetest.io/my-team>
2. Under **Team Members** click the **X** button next to the members' email.
3. Click **Confirm** in the popup.

The screenshot shows the 'My Team' interface. At the top, it says 'My Team' with the email 'seetest@seetest.io' and an 'admin' role. There is an 'Invite' button. Below this is a section for 'Pending invitations' which is currently empty. Below that is the 'Team members' section, showing 'seetest@seetest.io' as an 'admin' and 'team_member@seetest.io' as a 'user'. A red 'X' icon is next to the active member's email. A modal dialog titled 'Remove Member' is open, asking 'Are you sure you wish to remove team_member@seetest.io from your team?' with 'Close' and 'Confirm' buttons.
